

Youth Racing Scholarship Application

Sail Sand Point is a community small boat program dedicated to youth and access for all. SSP is proud to be able to offer full scholarships to youth racers ages 8 to 17, so that no one is excluded from the opportunity to come to Sail Sand Point and sail regularly with kids their age, regardless of financial circumstances. Sailing offers children a safe way to challenge themselves – to explore their abilities, to go farther and faster than they have before. Being in command of a small boat allows a child to develop the judgment, responsibility and confidence that will accompany him or her throughout the rest of their life.
